Product Description

The Fast Container House Used For Outdoor Beautiful Homestay Is Easy To Move

Introducing the sleek and stylish rapidly deployable modular container homes perfect for outdoor accommodation and beautiful homestays. These quick-assembly container houses are designed for utmost mobility and convenience, making them an ideal choice for outdoor adventures, unique lodging experiences, or even remote locations.

The sleek exterior design of these container homes complements any outdoor setting, blending harmoniously with the natural surroundings. The customizable options allow for flexibility in size, layout, and aesthetics, ensuring that each home is unique and tailored to the specific needs and tastes of the owner or guest.

What truly sets these container homes apart is their mobility. They are designed to be easily transported, whether by truck, train, or even ship. This means that they can be quickly relocated to new locations, providing flexibility for owners or operators to adapt to changing market demands or expand their operations.

For those seeking a unique and memorable outdoor accommodation experience, these quickly deployable container homes offer the perfect solution. Whether it's a secluded mountain retreat, a lakeside getaway, or a remote desert oasis, these homes will provide a comfortable and stylish space to enjoy nature's wonders.

In conclusion, the rapidly deployable modular container homes for outdoor accommodation and homestays are not only stylish and functional but also mobile and convenient. They offer a unique and unforgettable lodging experience, perfect for those seeking adventure and beauty in the great outdoors.

Standard Quick Assembly Container House Datasheet

	Width(mm)	3000(2800)
	Height(mm)	2800(2500)
	Center column	
	Roof	Flat roof, free drainage
	Number of floors	≤3
Design parameters	Service life	5-8 years
	Ground live load	1.8KN/
	Roof live load	0.5KN/
	Wind load	0.6KN/
	Seismic degree	8
Structural	corner column	galvanized cold rolled section steel, t=2.3mm, material Q235B
	roof main beam	galvanized cold rolled section steel, t=2.3mm, material Q235B
	roof sub-beam	Galvanized square steel 5*5, t=1.5mm, radian galvanized square steel 4*6t=1.2mm material Q235B
	floor main beam	galvanized cold-rolled section steel, t=2.3mm, material Q235B
	floor sub-beam	galvanized square steel 4*8 (5), galvanized square steel 8*8 (4) material Q235B
	Paint	Graphene Powder spraying (Electrostatic spraying)
Roof	Roof panel	0.40mm thick color steel plate, color white gray
	Ceiling	0.25mm thick 811 ceiling, color white gray
Floor	Decorative surface	
	basic floor	18mm sanding board
Wall	Thickness	50mm thick color steel glass fiber sandwich board; The outer and inner plates are made of 0.3mm aluminum plated zinc color steel plate
	Heat preservation	50mm thick glass silk wool, bulk weight ≥60kg/m ³ , combustion performance is class A non-combustible
	Color	white gray PE coating
Door	Spec(mm)	Width X height =920*2030 common door
	Material	Steel door
Window	Spec(mm)	Front window: width X height =920*1200; Rear window (standard) : width X height =920*1200;
	Frame	Plastic steel window single glass
	Glass	common
Electricity	Voltage	220V~250V
	Wire	input power wire is 4 square, AC wire is 4 square, socket wire is 2.5 square, lighting switch wire is 1.5 square
	Circuit breaker	High break Miniature Circuit breaker (32A)
	Lamp tube	Two sets of circular LED fluorescent lamps
	Socket	3 five-hole socket 10A, 1 three-hole air conditioning socket 16A

Company introduction

As a wholly-owned subsidiary of Wujiang Saima (established in 2005), Suzhou Stars Integrated Housing Co., Ltd. focuses on

foreign trade. As one of the most professional prefabricated house manufacturers in south-east China, we provide customers with all kinds of integrated housing solutions.

Equipped with complete production lines, including sandwich panel production machines and steel structure production line, with 5000 square meter workshop and professional staff, we already built long-term business with domestic giants like CSCEC and CREC. Also, based on our export experience in the past years, we are furthering our steps to global customers with best product and service.

As a supplier to overseas customers all over the world, we are very familiar with the manufacturing standards of various countries, such as European standards, American standards, Australian standards, and so on. We have also participated in the construction of many large-scale projects, such as recent 2022 Qatar World Cup camping construction.
