## Product Description

### Outdoor Camping Accommodation: Quick-Assembled Container Houses for Comfortable & Customizable Spaces

#### Product Introduction:

Introducing our latest innovation in outdoor camping accommodation - the Quick-Assembled Container Houses. These unique structures are designed to provide a comfortable and spacious living environment for all your outdoor adventures. Made from sturdy shipping containers, these houses are not only durable but also easily assembled and dismantled, making them perfect for both short-term and long-term camping needs.

#### Comfortable Sizing & Customizable Options:

We understand that everyone's camping needs are different. That's why we offer a range of standard sizes, starting from the common 6m x 3m x 2.9m dimensions, as well as customized options to suit your specific requirements. Whether you're looking for a cozy space for a solo trip or a spacious area for a group of friends, we have the perfect solution for you.

Moreover, our container houses are highly customizable. You can choose from a variety of modules such as shower cubicles, bathrooms, and even conference rooms, all designed to fit perfectly within the container frame. These modules can be freely combined to create the perfect layout for your camping trip.

#### Quick & Easy Assembly:

With our innovative quick-assembly system, setting up your container house is a breeze. The containers are designed with interlocking panels and pre-installed fittings, allowing for a fast and secure assembly process. This not only saves you time but also ensures that your house is sturdy and ready to use in no time.

#### Durable & Reliable:

Made from high-quality shipping containers, our houses are built to last. They are designed to withstand harsh outdoor conditions, ensuring that you have a safe and secure shelter throughout your camping trip. The sturdy construction also ensures that your house remains stable and reliable, even in the event of adverse weather conditions.

#### Conclusion:

The Quick-Assembled Container Houses are the perfect solution for all your outdoor camping accommodation needs. Whether you're looking for a comfortable space for a weekend getaway or a reliable shelter for a long-term adventure, these houses have everything you need. With their customizable options, quick assembly, and durable construction, they are sure to make your camping trip more enjoyable and memorable.

Standard Quick Assembly Container House Datasheet		
Product Specification: 3-meter standard container	Length(mm)	5950(5730)
	Width(mm)	3000(2800)
	Height(mm)	2800(2500)
	Center column	
	Roof	Flat roof, free drainage
	Number of floors	≤3
Design parameters	Service life	5-8 years
	Ground live load	1.8KN/
	Roof live load	0.5KN/
	Wind load	0.6KN/
	Seismic degree	8
Structural	corner column	galvanized cold rolled section steel, t=2.3mm, material Q235B
	roof main beam	galvanized cold rolled section steel, t=2.3mm, material Q235B
	roof sub-beam	Galvanized square steel 5*5, t=1.5mm, radian galvanized square steel 4*6t=1.2mm material Q235B
	floor main beam	galvanized cold-rolled section steel, t=2.3mm, material Q235B
	floor sub-beam	galvanized square steel 4*8 (5), galvanized square steel 8*8 (4) material Q235B
	Paint	Graphene Powder spraying (Electrostatic spraying)
Roof	Roof panel	0.40mm thick color steel plate, color white gray
	Ceiling	0.25mm thick 811 ceiling, color white gray
Floor	Decorative surface	
	basic floor	18mm sanding board
Wall	Thickness	50mm thick color steel glass fiber sandwich board; The outer and inner plates are made of 0.3mm aluminum plated zinc color steel plate
	Heat preservation	50mm thick glass silk wool, bulk weight ≥60kg/m <sup>3</sup> , combustion performance is class A non-combustible

	Color	white gray PE coating
Door	Spec(mm)	Width X height =920*2030 common door
	Material	Steel door
Window	Spec(mm)	Front window: width X height =920*1200; Rear window (standard) : width X height =920*1200;
	Frame	Plastic steel window single glass
	Glass	common
Electricity	Voltage	220V~250V
	Wire	input power wire is 4 square, AC wire is 4 square, socket wire is 2.5 square, lighting switch wire is 1.5 square
	Circuit breaker	High break Miniature Circuit breaker (32A)
	Lamp tube	Two sets of circular LED fluorescent lamps
	Socket	3 five-hole socket 10A, 1 three-hole air conditioning socket 16A

## Company introduction

As a wholly-owned subsidiary of Wujiang Saima (established in 2005), Suzhou Stars Integrated Housing Co., Ltd. focuses on foreign trade. As one of the most professional prefabricated house manufacturers in south-east China, we provide customers with all kinds of integrated housing solutions.

Equipped with complete production lines, including sandwich panel production machines and steel structure production line, with 5000 square meter workshop and professional staff, we already built long-term business with domestic giants like CSCEC and CREC. Also, based on our export experience in the past years, we are furthering our steps to global customers with best product and service.

As a supplier to overseas customers all over the world, we are very familiar with the manufacturing standards of various countries, such as European standards, American standards, Australian standards, and so on. We have also participated in the construction of many large-scale projects, such as recent 2022 Qatar World Cup camping construction.
