

# Premade Team Building Area Folding Portable Container House Easy **Employment Quick Assembly**

## **Basic Information**

- Place of Origin:
- Brand Name:
- Certification:
- Model Number:
- Minimum Order Quantity:
- Price:
- Packaging Details:
- **INFINITE STARS** CE, ISO14001, ISO9001, ISO45001
- F03 7 Sets

China

- USD 1200~1500/Set
  - 4 units/20gp 8 units/40hq

### **Product Specification**

- Design Style:
- Usage:
- Contemporary
- Temporary Housing/Disaster Relief/Construction Site
- Earthquake Resistance:
- Function:
- Frame:
- Custom:
- Installation:
- Standard Size:
- MOQ:
- Highlight:

- Structure:

- Grade 8
- Portable Room Outdoor Galvanized Steel Frame
- OEM
- Quick And Easy
- 5800\*2480\*2520mm Or Custom Requirement
- Galvanlized Steel Frame
  - 7 PCS
  - Building Area Portable Container House, Folding Portable Container House, **Premade Portable Container Homes**

#### **Product Description**

#### Premade Team Building Area Folding Portable Container House Easy Employment Quick Assembly

Features of a Folding Container House as a Team Building Area:

**Portability**: The folding design allows for easy transportation and setup in various locations, ideal for team-building events held outdoors or in changing locations.

**Durability**: Constructed from sturdy materials, the folding container house can withstand various weather conditions, ensuring a safe and reliable environment for team-building activities.

**Customizability**: The interior and layout can be customized to meet the specific needs and goals of the team-building event, creating a unique and engaging space.

**Cost-Effectiveness**: Compared to traditional venues, folding container houses offer a cost-efficient solution for team-building events, reducing upfront costs and allowing for longer-term reuse.

**Multifunctionality**: Versatile in design, the folding container house can be configured with different facilities and amenities to cater to a wide range of team-building activities.

**Environmental Friendliness**: Made from recycled materials, the folding container house reduces waste and promotes sustainability, making it an environmentally responsible choice for team-building events.

**Promotes Team Bonding**: The novelty and unique design of the folding container house can create a sense of excitement and shared experience, fostering closer bonds and enhancing team cohesion.

As a wholly-owned subsidiary of Wujiang Saima (established in 2005), Suzhou Stars Integrated Housing Co., Ltd. focuses on foreign trade. As one of the most professional prefabricated house manufacturers in south-east China, we provide customers with all kinds of integrated housing solutions.

Equipped with complete production lines, including sandwich panel production machines and steel structure production line, with 5000 square meter workshop and professional staff, we already built long-term business with domestic giants like CSCEC and CREC. Also, based on our export experience in the past years, we are furthering our steps to global customers with best product and service.

As a supplier to overseas customers all over the world, we are very familiar with the manufacturing standards of various countries, such as European standards, American standards, Australian standards, and so on. We have also participated in the construction of many large-scale projects, such as recent 2022 Qatar World Cup camping construction.

Suzhou Stars Integrated Housing Co., Ltd. mainly has five types of products: folding container house, flat pack container house, detachable container house, modified shipping container (in development), and steel structure construction, which can be widely used in many fields, such as dormitory, camp, office, canteen, shop, toilet and shower, viewing pavilion, firefighting station, isolation ward, etc.
