Product Description

Prebuilt Outdoor Party Detachable Container House Easy Transportation Relocation

Detachable container houses are an excellent choice for outdoor party spaces, offering cost-effective, durable, and customizable solutions. Their modular design allows for quick and easy assembly, disassembly, and relocation, making them highly flexible. Made from recycled shipping containers, these houses minimize waste and impact on the environment. Ample space within the containers can accommodate large groups, perfect for weddings, birthdays, and other celebrations. Their durability ensures they can withstand various weather conditions, while their customizable nature allows for tailored layouts and finishes to create the perfect outdoor party space.

As a wholly-owned subsidiary of Wujiang Saima (established in 2005), Suzhou Stars Integrated Housing Co., Ltd. focuses on foreign trade. As one of the most professional prefabricated house manufacturers in south-east China, we provide customers with all kinds of integrated housing solutions.

Equipped with complete production lines, including sandwich panel production machines and steel structure production line, with 5000 square meter workshop and professional staff, we already built long-term business with domestic giants like CSCEC and CREC. Also, based on our export experience in the past years, we are furthering our steps to global customers with best product and service.

As a supplier to overseas customers all over the world, we are very familiar with the manufacturing standards of various countries, such as European standards, American standards, Australian standards, and so on. We have also participated in the construction of many large-scale projects, such as recent 2022 Qatar World Cup camping construction.

Suzhou Stars Integrated Housing Co., Ltd. mainly has five types of products: folding container house, flat pack container house, detachable container house, modified shipping container (in development), and steel structure construction, which can be widely used in many fields, such as dormitory, camp, office, canteen, shop, toilet and shower, viewing pavilion, firefighting station, isolation ward, etc.
