Our Product Introduction

for more products please visit us on prefabricated-containerhouses.com

Basic Information

- Place of Origin: CHINA
- Brand Name: INFINITE STARS
- Certification: CE, ISO9001, ISO45001, ISO14001
- Model Number: S03
- Minimum Order Quantity: 7 Sets
- Price: USD 1200~1500/Set
- Packaging Details: one 20-foot shipping container can carry 7 sets
- Delivery Time: 5-8 work days
- Payment Terms: L/C, T/T
- Supply Ability: 2000 set per month

Product Specification

- Size: 20ft/40ft
- Windows: Optional
- Electrical System: Lighting, Outlets, And Circuit Breaker
- Lighting: LED Lights
- Doors: Steel, Aluminum
- Material: Steel
- Locking System: Padlock
- Ventilation: Multiple Vents
- Wall Type: Corrugated
- Color: Various Colors Available
- Product Type: Container
- Floor Type: Plywood
- Roof Type: Flat, Sloped
- Insulation: Polyurethane Foam
- Mobility: Forklift Pockets

Product Description

Prefab Custom Best Mobile Shipping Bar Coffee Shops Two Stories House Modified Shipping Container

Description

Uniqueness and Brand Image: Shipping container conversions offer a distinctive appearance that can help businesses create a unique brand image. This is crucial for attracting customers and standing out in a competitive market.

Adaptability to Different Environments: Shipping container conversions can be customized and adapted to different environments, climates, and geographical conditions. This makes them suitable for various locations and applications.

Scalability: For businesses with future expansion plans, shipping container conversions provide a flexible solution. They can be expanded by adding extra modules or connecting multiple containers to accommodate growing business needs.

Innovation and Design Challenges: Shipping container conversions provide a platform for designers and architects to explore innovation and design challenges. By reimagining and transforming containers, they can realize various creative ideas and drive advancements in architectural design.

Company introduction

As a wholly-owned subsidiary of Wujiang Saima (established in 2005), Suzhou Stars Integrated Housing Co., Ltd. focuses on foreign trade. As one of the most professional prefabricated house manufacturers in south-east China, we provide customers with all kinds of integrated housing solutions.

Equipped with complete production lines, including sandwich panel production machines and steel structure production line,

with 5000 square meter workshop and professional staff, we already built long-term business with domestic giants like CSCEC and CREC. Also, based on our export experience in the past years, we are furthering our steps to global customers with best product and service.

As a supplier to overseas customers all over the world, we are very familiar with the manufacturing standards of various countries, such as European standards, American standards, Australian standards, and so on. We have also participated in the construction of many large-scale projects, such as recent 2022 Qatar World Cup camping construction.
