

## Color Steel Resin Roof Tiles Customized Antique Roof Tiles

Our Product Introduction

for more products please visit us on [prefabricated-containerhouses.com](http://prefabricated-containerhouses.com)

### Basic Information

- Place of Origin: china
- Brand Name: INFINITE STARS
- Certification: CE/ISO9001/ISO45001/ISO14001
- Model Number: B
- Minimum Order Quantity: 7 Sets
- Price: dollar10\$/
- Packaging Details: Each 40 foot high cabinet can hold 1200 square meters
- Payment Terms: L/C, T/T
- Supply Ability: 100000 /day

### Product Specification

- Color: Customized
- Core Material: Polyurethane
- Surface Treatment: PE/PVDF Coating
- Width: 1000mm
- Length: Customized
- Water Absorption:  $\leq 2\%$
- Thickness: 50mm
- Application: Roofing, Wall Cladding, Partition Wall, Cold Storage, Etc.
- Sound Insulation:  $\geq 30\text{dB}$
- Material: Color Steel
- Load Bearing Capacity:  $\geq 0.5\text{kN/m}^2$
- Model: HW-SP-001
- Thermal Conductivity:  $0.022\text{ W/mK}$
- Fireproof Rating: B1

## Product Description

Color Steel Roofing Panels are a premium choice for any roofing project, offering both form and function in one exceptional package. Made from high-grade steel, these panels are designed to withstand the harshest of weather conditions, ensuring your roof remains strong and secure for years to come. Their vibrant colors and sleek finishes add a touch of elegance to any building, while their energy-efficient properties help to reduce your overall energy consumption.

Color Steel Roofing Panels are also incredibly easy to install, thanks to their lightweight yet sturdy design. This means you can get your roof up and running in no time, with minimal disruption to your daily routine. Plus, the panels' overlapping joints provide a tight and secure fit, ensuring your roof is completely leak-free.

In addition to their durability and aesthetic appeal, Color Steel Roofing Panels are also environmentally friendly. Their long lifespan means you won't need to replace your roof as often, reducing waste and saving you money in the long run. Plus, their recyclable material makes them a sustainable choice for any roofing project.

Overall, Color Steel Roofing Panels are a top-notch roofing solution that offers durability, style, and efficiency all in one. Whether you're building a new home or renovating an existing property, these panels are sure to deliver exceptional results.

Specification	Description
<b>Material</b>	High-grade steel alloy with corrosion-resistant coating
<b>Colors</b>	Available in a wide range of standard and custom colors
<b>Finish</b>	Smooth, matte, or textured finishes available
<b>Thickness</b>	0.4mm to 0.8mm (customizable)
<b>Width</b>	Standard widths of 1000mm, 1200mm, and 1500mm (customizable)
<b>Length</b>	Panels can be cut to specific lengths upon request
<b>Coating Type</b>	Polyester, PVDF, or other advanced coatings for superior durability
<b>Fire Rating</b>	Meets or exceeds local fire rating standards
<b>Wind Resistance</b>	Classified for various wind load ratings (depending on thickness and installation)
<b>Thermal Resistance</b>	Reflects heat, reducing solar absorption and keeping buildings cooler
<b>UV Resistance</b>	Coating provides excellent UV protection for long-lasting color
<b>Installation</b>	Panels are designed for easy installation with overlapping or side-lap joints
<b>Accessories</b>	Includes clips, fasteners, and other accessories for secure installation

Specification	Description
<b>Warranty</b>	Standard warranty of 10-20 years, depending on coating and usage

#### **Company introduction**

As a wholly-owned subsidiary of Wujiang Saima (established in 2005), Suzhou Stars Integrated Housing Co., Ltd. focuses on foreign trade. As one of the most professional prefabricated house manufacturers in south-east China, we provide customers with all kinds of integrated housing solutions.

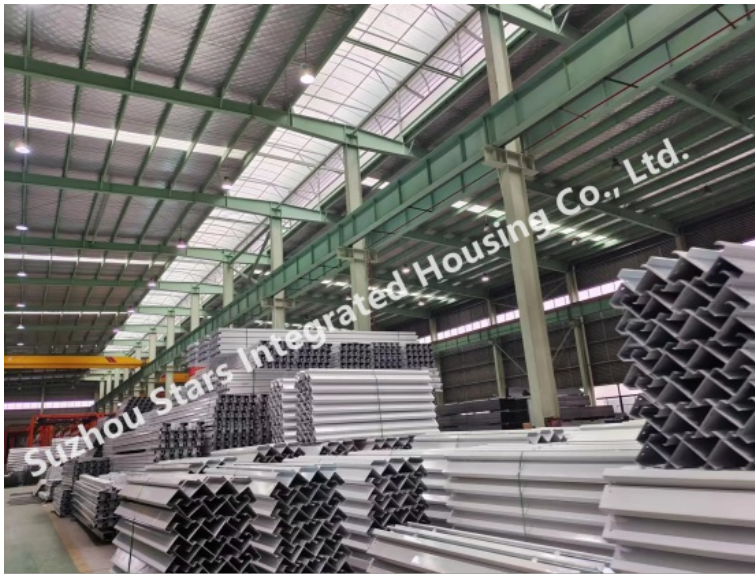

Equipped with complete production lines, including sandwich panel production machines and steel structure production line, with 5000 square meter workshop and professional staff, we already built long-term business with domestic giants like CSCEC and CREC. Also, based on our export experience in the past years, we are furthering our steps to global customers with best product and service.

As a supplier to overseas customers all over the world, we are very familiar with the manufacturing standards of various countries, such as European standards, American standards, Australian standards, and so on. We have also participated in the construction of many large-scale projects, such as recent 2022 Qatar World Cup camping construction.
