

Residential / Commercial Modern Modular Homes Moveable Readymade Container House

Our Product Introduction

for more products please visit us on prefabricated-containerhouses.com

Basic Information

- Place of Origin: China
- Brand Name: INFINITE STARS
- Certification: CE, ISO14001, ISO9001, ISO45001
- Model Number: M02
- Minimum Order Quantity: 7 Sets
- Price: USD 1200~1500/Set
- Packaging Details: 7 units/20gp 17 units/40hq
- Supply Ability: 2000 Sets PER Month

Product Specification

- Usage: Residential/Commercial
- Durability: Strong And Long-lasting
- Transportation: Convenient And Cost-effective
- Size: Customized
- Insulation Materials: PU, Rock-wool, Fiberglass Wool, EPS
- Installation: Easy And Fast
- Operation Training: Personnel Training Is For Free.
- Cost: Affordable And Cost-saving
- Color: Customizable
- MOQ: 7 PCS
- Highlight: **Commercial Modern Modular Homes,
Modern Ready Made Prefab House,
Moveable Readymade Container House**

Product Description

Readymade Modular House Welded Container Shop Moveable Convenient Fast Deployment

Prefabricated Modular Welded Container Houses, when utilized as shops, offer numerous advantages. Their modular design allows for rapid deployment and construction, significantly reducing setup time. Cost-effectiveness is achieved through efficient production and transportation of prefabricated modules. The welded structure ensures durability and resilience to weather conditions, while the high degree of customizability allows merchants to tailor the shop to their brand and customer experience. Environmental sustainability is also a key feature, with the use of eco-friendly materials and the potential for reuse and recycling. Space utilization is maximized, enhancing both merchandise display and customer comfort. In summary, prefabricated modular welded container houses provide a quick, cost-effective, durable, and environmentally responsible solution for retail shops.

Standard Quick Assembly Container House Datasheet		
Product Specification: 3-meter standard container	Length(mm)	5950(5730)
	Width(mm)	3000(2800)
	Height(mm)	2800(2500)
	Center column	
	Roof	Flat roof, free drainage
	Number of floors	≤3
Design parameters	Service life	5-8 years
	Ground live load	1.8KN/
	Roof live load	0.5KN/
	Wind load	0.6KN/
	Seismic degree	8
Structural	corner column	galvanized cold rolled section steel, t=2.3mm, material Q235B
	roof main beam	galvanized cold rolled section steel, t=2.3mm, material Q235B
	roof sub-beam	Galvanized square steel 5*5, t=1.5mm, radian galvanized square steel 4*6t= 1.2mm material Q235B
	floor main beam	galvanized cold-rolled section steel, t=2.3mm, material Q235B
	floor sub-beam	galvanized square steel 4*8 (5), galvanized square steel 8*8 (4) material Q235B
	Paint	Graphene Powder spraying (Electrostatic spraying)
Roof	Roof panel	0.40mm thick color steel plate, color white gray
	Ceiling	0.25mm thick 811 ceiling, color white gray
Floor	Decorative surface	
	basic floor	18mm sanding board
Wall	Thickness	50mm thick color steel glass fiber sandwich board; The outer and inner plates are made of 0.3mm aluminum plated zinc color steel plate
	Heat preservation	50mm thick glass silk wool, bulk weight ≥60kg/m ³ , combustion performance is class A non-combustible
	Color	white gray PE coating
Door	Spec(mm)	Width X height =920*2030 common door
	Material	Steel door
Window	Spec(mm)	Front window: width X height =920*1200; Rear window (standard) : width X height =920*1200;
	Frame	Plastic steel window single glass
	Glass	common
Electricity	Voltage	220V~250V
	Wire	input power wire is 4 square, AC wire is 4 square, socket wire is 2.5 square, lighting switch wire is 1.5 square

Circuit breaker	High break Miniature Circuit breaker (32A)
Lamp tube	Two sets of circular LED fluorescent lamps
Socket	3 five-hole socket 10A, 1 three-hole air conditioning socket 16A

As a wholly-owned subsidiary of Wujiang Saima (established in 2005), Suzhou Stars Integrated Housing Co., Ltd. focuses on foreign trade. As one of the most professional prefabricated house manufacturers in south-east China, we provide customers with all kinds of integrated housing solutions.

We have a complete new modular housing R & D system, technology system, manufacturing system and operation and maintenance system. Now it has a full set of production facilities such as small parts workshop, profile workshop, welding workshop, painting workshop, including CNC machine tools, CNC forming machines, CNC bending machines, automatic production lines, specializing in the production of high-end modular container houses. With 5000 square meter workshop and professional staff, we already built long-term business with domestic giants like CSCEC and CREC. Also, based on our export experience in the past years, we are furthering our steps to global customers with best product and service.

As a supplier to overseas customers all over the world, we are very familiar with the manufacturing standards of various countries, such as European standards, American standards, Australian standards, and so on. We have also participated in the construction of many large-scale projects, such as recent 2022 Qatar World Cup camping construction.

Suzhou Stars Integrated Housing Co., Ltd. mainly has five types of products: folding container house, flat pack container house, detachable container house, modified shipping container (in development), and steel structure construction, which can be widely used in many fields, such as construction, railway, highway, water conservancy engineering, electricity, field work, tourism, military barracks, mobile computer room, temporary office and so on.
