

## Store Modified Shipping Container Highly Flexible Quick Assembly

### Our Product Introduction

for more products please visit us on [prefabricated-containerhouses.com](http://prefabricated-containerhouses.com)

#### Basic Information

- Place of Origin: CHINA
- Brand Name: INFINITE STARS
- Certification: CE,ISO9001,ISO45001,ISO14001
- Model Number: S07
- Minimum Order Quantity: 7 Sets
- Price: USD 1200~1500/Set
- Packaging Details: one 20-foot shipping container can carry 7 sets
- Delivery Time: 5-8 work days
- Payment Terms: L/C, T/T
- Supply Ability: 2000 set per month

#### Product Specification

- Size: 20ft/ 40ft Or Customized
- Windows: Optional
- Electrical System: Lighting, Outlets, And Circuit Breaker
- Lighting: LED Lights
- Material: Steel
- Corner Fittings: ISO Standard
- Main Materials: Shipping Container
- Wall: 50mm/75mm Sandwich Panel
- Production Cycle: 30 Days For 1-5 Units
- Stackable: Yes
- Design Style: Modern
- MOQ: 7 PCS
- Highlight: **Modified Shipping Container Highly Flexible,  
Modified Shipping Container Quick Assembly,  
Store Shipping Container Modified**

## Product Description

### Stylish Store Modified Shipping Container Highly Flexible Quick Assembly

#### Description

The conversion of shipping containers into shops offers numerous benefits. They are cost-effective, requiring less initial investment due to their low price and simple modification process. They are also highly flexible, allowing for quick assembly, disassembly, and relocation. Additionally, they offer a creative platform for unique designs and are environmentally friendly, utilizing recycled materials and reducing waste. Overall, shipping container shops provide a sustainable, cost-effective, and innovative solution for commercial spaces.

Category	Specification
Container Selection:	IStandard ISO shipping containers: 20 feet or 40 feet in length.
	IHigh-quality steel construction with corrugated walls.
	IWind and watertight condition to ensure structural integrity.

	ICompliance with building codes and regulations regarding occupancy and egress.
	IProvision for security measures such as locks, alarms, and surveillance systems.
Quality Assurance and Testing:	IInspection of all modifications and installations to ensure compliance with specifications.
	ITesting of electrical, plumbing, and HVAC systems for functionality and safety.
	IDocumentation of workmanship and materials for quality control purposes.

## Company introduction

As a wholly-owned subsidiary of Wujiang Saima (established in 2005), Suzhou Stars Integrated Housing Co., Ltd. focuses on foreign trade. As one of the most professional prefabricated house manufacturers in south-east China, we provide customers with all kinds of integrated housing solutions.

Equipped with complete production lines, including sandwich panel production machines and steel structure production line, with 5000 square meter workshop and professional staff, we already built long-term business with domestic giants like CSCEC and CREC. Also, based on our export experience in the past years, we are furthering our steps to global customers with best product and service.

As a supplier to overseas customers all over the world, we are very familiar with the manufacturing standards of various countries, such as European standards, American standards, Australian standards, and so on. We have also participated in the construction of many large-scale projects, such as recent 2022 Qatar World Cup camping construction.
