Product Description

Product Name: Modular Containerized Housing - Fireproof and Waterproof/Quick Assembly/Support Customization

Product Description (Core selling points presented in layers):

Industrial Grade Performance

Steel frame structure + Rock wool insulation layer, wind resistance and seismic resistance up to 8 degrees, with a lifespan of 20 years.
Static-dissipating flooring & flame retardant interior, fire rating up to A1 level, suitable for extreme climates.

Scenario-based Design

Modular assembly: Supports commercial/residential/equipment protection scenarios, quick deployment without foundation.

Smart upgrades: Optional temperature control systems, ventilation and moisture-proof layers, catering to the needs of 5G base stations/medical stations, etc.

Cost Advantage

7-day delivery cycle (standard box), saving up to 60% cost compared to traditional construction.

Support for old box renovation and provide full lifecycle maintenance services.

Certification Guarantee

ISO6346/CCS dual certification, supporting customized dangerous goods transportation (guidance on obtaining dangerous goods packaging certificate).

Global experience in customs clearance in over 100 countries, providing multilingual technical documents.

Call to Action at the End "Click to view real-life case studies in North America/Middle East → Support for LOGO spraying + functional cabin combination solutions"
