Basic Information

- Delivery Time: 3-5 work days

Product Specification

- Use: House, Office, Hotel, Shop, Kiosk
- Size: Customers' Requirement Or 5950*3000*2800mm
- Color: Customized Color, Optional, White&Gray, Any Color, Client's Request
- Door: Aluminum Alloy Door, Steel Door, Security Door, Sandwich Panel Door, Steel Cleanroom Door, etc.
- Product Name: Quick Assembly Prefabricated House, Movable Prefab Modular Foldable Container House For Sale, container House, Luxury Flat Pack 2-story Container House, Standard Prefab Building Fast Duplex Prefabricated Vacation House, Detachable Flat Pack Container House
- Structure: Galvanized Steel Frame, U Steel, Steel, Luxury Container House, light Steel Structure, Dome
- Window: Aluminum Window, PVC Sliding

Product Description

Professional 3-Stall Mobile Toilet Unit with Customization Options

Product Highlights

Multi-Functional Design: Our 3-stall mobile toilet unit is engineered for high-traffic areas like construction sites, festivals, and public parks. The modular structure allows flexible configurations (1-5 stalls) to meet diverse needs.

Premium Materials: Constructed with corrosion-resistant galvanized steel frame, insulated metal-clad panels (18mm thickness), and anti-slip aluminum flooring. Optional upgrades include glass-reinforced plastic (GRP) or stainless steel finishes for extreme climates.

Eco-Friendly Solutions: Choose from water-saving flush systems (5L per use), foam-seal technology (90% water reduction), or microbial decomposition systems for zero sewage discharge.

User-Centric Features: Integrated ventilation, LED lighting, hand sanitizer dispensers, and emergency call buttons. Complies with ADA standards for wheelchair-accessible units.

Customization & OEM Services

We specialize in tailored solutions:

Variety: Produce single-stall portable toilets, luxury trailer-mounted restrooms, solar-powered units, and containerized sanitation complexes.

Adaptive Designs: Customize exteriors with corporate branding, woodgrain textures, or urban-modern aesthetics.

Advanced Sanitation: Add UV sterilization, touchless fixtures, or temperature-control systems for premium hygiene.

Quality Assurance

CE, ISO9001, and SGS certifications guaranteed.

12-month warranty with lifetime technical support.

Export-ready packaging (flat-packed or pre-assembled).

Why Choose Us?

As a leading Chinese manufacturer since 2010, we've supplied 200+ cities worldwide. Our end-to-step service covers CAD design, logistics optimization, and onsite installation guidance. Competitive pricing starts at \$1,200/unit (FOB Qingdao).

Contact today for OEM/ODM collaboration!

This description integrates technical specifications from , customization capabilities from , and market-focused language from . It balances brevity with persuasive details to appeal to B2B buyers on ECER.
