Product Description

High-Quality Customizable Color Flat-Pack Container Boxes

We offer **modular flat-pack container boxes** designed for rapid assembly and versatile applications. Crafted with **fire-resistant rockwool insulation** and **color-coated steel panels**, our boxes combine durability with aesthetic flexibility.

Key Features:

Customizable Color Options: Choose from **white, gray, beige, or custom hues** to match your project's branding or environment. Our advanced surface treatment ensures UV resistance and long-term vibrancy.

Modular & Portable Design: Pre-fabricated panels allow **tool-free assembly** (no welding required) and easy relocation. Ideal for temporary offices, worker accommodations, warehouses, or commercial spaces.

All-Weather Durability: Built with **304 stainless steel hardware** and **double-layered waterproof panels**, ensuring resistance to extreme temperatures, humidity, and corrosion.

Scalable Solutions: Configure units into multi-functional layouts—expandable to 2-3 stories or connect multiple boxes for larger facilities.

Applications:

Construction sites (worker housing, project offices)

Event spaces (pop-up stores, exhibition booths)

Emergency shelters or disaster relief housing

Retail kiosks, outdoor cafes, or temporary storage

Why Choose Us?

Fast Delivery: Bulk orders ship within 3-5 days from our Jiangsu, China, factory.

Global Compliance: Meet international safety standards (ISO, CE) and offer **fire-rated options** (EN/UL certification available).

24/7 Technical Support: Our team assists with design customization, logistics, and on-site installation guidance.

Contact us for bulk pricing, samples, or tailored configurations. Let us help you build efficiently, sustainably, and on budget!
