Product Description

Modular Quick-Assembly Container Houses – Premium Solutions for Global Projects

We are **Suzhou Wujiang Quick-Assembly Container Manufacturer**, a trusted name in China's integrated housing industry, specializing in high-quality **quick-assembly container houses** for construction sites, temporary offices, disaster relief, and commercial applications. Our products combine durability, flexibility, and cost-efficiency, making them ideal for global buyers seeking reliable modular housing solutions.

Key Features:

Rapid Installation: Designed for quick on-site assembly, our units save 50%+ time compared to traditional construction. Prefab components enable hassle-free setup, perfect for urgent projects

Robust & Safe: Built with **A-grade fireproof(rock wool panels)** and galvanized steel frames, our containers meet international safety standards. Waterproof, earthquake-resistant, and thermally insulated for extreme climates
Customizable Designs: Choose from sizes (3×6m, 3×3m, etc.), layouts (single/double-story), and add-ons like rainproof canopies, glass windows, or partition walls. OEM/ODM supported
Multi-Purpose Use: Ideal for site offices, worker dormitories, mobile clinics, retail shops, and eco-friendly villas. Passed CE certification for EU/ASEAN/Africa exports

Why Us?

10+ Years Expertise: Serving clients in 30+ countries with ISO-certified production (10,000 factory) and strict quality control
Competitive Pricing: Direct factory rates from 4,500/set • • (3×3m) to • • **8,800/set** (3×6m), including door/window fittings and technical support
One-Stop Service: From design to global logistics – we handle everything. MOQ: 1 set; lead time: 7-15 days.
