Product Description

Title: Premium Expandable Container House | Customizable & Portable Solution | Suzhou Manufacturer

Product Description:
Discover our **high-efficiency Expandable Container House**, engineered in Suzhou, China for global clients seeking versatile, space-saving modular solutions. Ideal for site offices, pop-up stores, emergency shelters, or luxury glamping villas.
Key Features & Advantages:
  Smart Space Expansion
Deploys from compact transit mode to 2x living/working space within hours using hydraulic systems. Dual-wing folding design maximizes usability without sacrificing portability.
  Robust & Climate-Resilient

Steel frame with 150MPa anti-pressure strength & corrugated steel walls (weather-resistant finish)
Fireproof rock wool/glass wool insulation (-30°C to 50°C adaptability)
Waterproof seals & wind-resistant up to Level 12
  Rapid Deployment
Pre-assembled modules install in <24 hrs with bolt-connected components, slashing labor costs by 60% vs traditional builds.
  Customization Ready
Sizes: 20ft (6m), 40ft (12m), or tailor-made dimensions
Configurations: Single/Double-story, glass facades, partition walls
Add-ons: Solar panels, HVAC, interior décor
