### Product Description

#### 40ft Double-Wing Expandable Container House | Custom Portable Solution

#### Features & Advantages:

**Smart Space Optimization:**  
Patented double-wing folding system expands on-site, doubling usable space. Ideal for site offices, emergency housing, or pop-up retail with instant deployment.

**Robust & Weatherproof:**  
Reinforced steel frame withstands harsh climates (wind/rain/snow). Fire-resistant sandwich panels (EPS/rock wool) ensure thermal insulation (-30°C to 50°C).

**Rapid Installation:**  
Fully assembled in <72 hours with minimal tools. No foundation required; forklift-movable.

#### Technical Parameters (Customizable):

Attribute	Specification
Dimensions (L×W×H)	11800×6360×2480mm (40ft)
Expanded Size	Up to 2x original footprint
