

## SpaceFlex 20ft Expandable Mobile House

### Basic Information

- Place of Origin: china
- Brand Name: INFINITE STARS
- Certification: CE,ISO9001,ISO45001,ISO14001
- Minimum Order Quantity: 7 Sets
- Payment Terms: ,MoneyGram,Western Union,T/T,D/P,L/C,D/A
- Supply Ability: 2000 Sets PER Month

### Product Specification

- Quick-Assembly Design: Modular Components Enable Rapid On-site Installation Without Heavy Machinery
- Robust Steel Structure: Fully Welded Steel Frame Ensures High Strength, Durability, And Superior Seismic/anti-deformation Performance
- Thermal & Acoustic Insulation: Walls Constructed With Color Steel Sandwich Panels Provide Effective Heat Preservation, Soundproofing, And Weather Resistance
- Weatherproof & Corrosion-Resistant: Treated Materials Withstand Harsh Environments (humidity, Acid, Alkali, Salt Fog) For Long-term Use
- Multi-Functional Applications: Ideal For Site Offices, Guard Booths, Living Quarters, Modular Hotels, Schools, And Emergency Housing

## Product Description

20ft Custom Expandable Container House - Smart Space Solution from Jiangsu

Features & Advantages:

Space Optimization

Expands from 12 to 37 using dual-wing folding design, maximizing usable area while minimizing transport volume 614

Lightweight hot-dip galvanized steel frame (2,000kg) ensures structural integrity without heavy logistics 614.

Robust Construction

Built with 50mm/65mm EPS sandwich panels for thermal insulation and Q235 steel framework 6.

Weather-resistant exterior with 8-grade earthquake resistance & 10-grade wind resistance 14.

Rapid Deployment

Installs in hours without heavy machinery—manual operation by 3-4 workers suffices 614.

Pre-installed electrical systems, lighting, and optional furniture for plug-and-use convenience 14.

Customization Flexibility

Tailored layouts (offices, dormitories, clinics) with configurable windows, doors, and partitions 611

CE-certified components for global export compliance 6.

Technical Specifications

Parameter Value

Expanded Size 5.9m(L) × 6.3m(W) × 2.48m(H)

Folded Size 5.9m(L) × 2.2m(W) × 2.48m(H)

Material Galvanized Steel + EPS Panels

Design Life 20+ years

Load Capacity 1.5T-2.3T 2

FAQs

Q: Is assembly technical expertise required?

A: No. Bolt-on connections enable tool-free assembly with included manuals.

Q: Can interiors be pre-fitted?

A: Yes. We offer factory-installed plumbing, kitchens, or bathrooms 6.

Q: What export markets do you serve?

A: Europe, Australia, and North America (ISO-standard designs) 1114.

Q: Lead time for 100-unit orders?

A: 30-45 days with OEM/ODM support.

Why Choose Us?

Jiangsu-based ISO manufacturer with 10+ years in engineered expandable homes. All units include a 5-year structural warranty and 24/7 export logistics support.
