Product Description

What Makes a 40ft Expandable Container Home with 2 Bedrooms Ideal for Families?

A 40ft expandable container home with 2 bedrooms offers the perfect combination of space, flexibility, and affordability for small families. When folded, it measures 11.8m x 2.29m x 2.53m for easy transport on standard trucks, expanding to a spacious 11.8m x 6.47m x 2.53m with 76 of living area.

Key Features

- **Spacious layout:** Includes two private bedrooms (master with built-in storage), open-plan living area, fully equipped kitchen with countertops and cabinetry, and modern bathroom
- **Durable construction:** Galvanized steel frame with 75mm sandwich panels (EPS or PU insulation) for 25+ year lifespan
- **Energy efficient:** Maintains comfortable temperatures while keeping utility costs low
- **Resilient materials:** Steel structure resists termites and mold
- **Quick installation:** Ready for use in just 1 day
- **5-year warranty:** Peace of mind for your investment

Customization Options

Personalize your container home with wood-look flooring, neutral or bold wall colors, and smart home features like LED lighting. Optional upgrades include double-glazed aluminum windows and security doors for enhanced safety and comfort.

Versatile Applications

Ideal as a permanent family residence or vacation retreat, offering a stylish and practical alternative to traditional construction without the lengthy build time.
