Product Description

Luxury Expandable Container House: Ideal for Modern Family Living

Spacious & Functional Design

The luxury expandable container house redefines family living with its blend of space, style, and functionality. Designed for comfort, it starts as a compact **40ft** unit during transport but expands to **72** , offering:

- 3 bedrooms and 2 bathrooms** for family convenience
- Open-plan living area accommodating up to **6 family members**
- Double-wing expansion creating spacious layout
- Abundant natural light through floor-to-ceiling windows
- Sliding glass doors opening to private terrace

Premium Interior Features

- Waterproof vinyl flooring for durability
- Quartz countertops for elegant surfaces
- Smart home systems including WiFi-enabled thermostats
- Energy-efficient LED lighting throughout
- Integrated security cameras for safety
- Kitchen with built-in appliances
- Bedrooms with custom storage solutions
- Blackout curtains for privacy and comfort

Energy Efficiency & Durability

Designed to reduce environmental impact and operating costs:

- 150mm EPS insulation** for superior thermal performance
- Solar panel compatibility for renewable energy
- Low-E glass reducing heat transfer
- Potential to slash utility bills by **40%**
- Galvanized steel frame resisting corrosion
- Hurricane-rated hardware for extreme weather safety

Quick Installation & Customization

Rapid setup in just **8 hours** with optional upgrades:

- Green roof options for environmental benefits
- Outdoor kitchen configurations available
- Suitable as permanent residence or vacation retreat

Product Analysis

We have a special person to control every detail, carefully crafted.
