Product Description

Customization Options for Two-Story Models

Our two-story models offer virtually limitless customization possibilities to match your exact needs and aesthetic preferences. From structural modifications to interior finishes, every aspect can be tailored to your specifications.

Design & Layout Options

- Flexible floor plans accommodating 1-4 bedrooms
- Specialty spaces including mezzanines, home offices, or rooftop terraces
- Structural modifications for extended balconies or additional windows
- Soundproofing solutions for urban environments
- Frame modifications available for 3-story designs (subject to engineering approval)

Exterior Finishes

- Wooden cladding for traditional warmth
- Modern metal accent options
- Full glass wall configurations for contemporary appeal

Interior Features

- Premium waterproof vinyl flooring options
- High-end quartz countertops
- Smart LED lighting systems

Functional Enhancements

- Energy-efficient solar panel integration
- Complete HVAC system options
- Rainwater harvesting solutions

Whether you envision a minimalist villa or a unique commercial space like a cafe, our modular system adapts to your vision while maintaining the benefits of quick assembly and structural durability.
